

LANCER **GT** CLUB established 2008

Lancer Grand Touring Club (LGTC) was founded in 2008. Started out as a small club with only a handful of members, it has now swelled over 700 members nationwide and counting.

Four years onwards, LGTC has become one of the biggest motoring clubs in Malaysia. However, what distinguishes the club from others is the bond of friendship created among the members regardless their backgrounds.

As for 2011, many activities have been lined up apart from the club's weekly Teh Tarik (TT) sessions. These include 'secret drives' and quite a number of outdoor activities that even your family can take part in.
